“*Bruce, Jane and Family;
There is no loss as hurtful as the loss of a child. I asked the Lord "why" five years ago when I lost my son. I now realize the Lord has a reason for all he does. Our sons are with the Lord looking down on us. Remember "The Lord gives and the Lord takes away"..He always has a reason. I am sending my love and prayers at this very difficult time.*

“*My heart and soul go out to you Sharon, as well as the rest of the family.
My first memory of Willie~he was 5, we were all at Lake Anna and it was my first time meeting him. We had a campfire that night. Willie was running in circles around the fire, around and around. He was laughing so hard, holding up his britches because he they wouldn't stay up. That infectious little laugh. I fell in love with him that night.
Peace be with you Willie ♡*
