“ I met billy when my sister Maria married his brother Howard (Buzzy). Since then we saw each other during weddings, parties, and other few occasions. One of them brings the most memory of Billy. In 1992 I bought a car from Bill Page through Billy. It was a memorable experience as Billy took me through a "How to Care for your Car." by Billy Blair instructions. Before I could drive away, Billy made sure I understood the rules of oil changes, type of oil to use, type of gas (no cheap gas), how to start the car, how to break, when to change the transmission oil, and other special instructions to assure my car would last. I felt as if it would be my first driving experience afterwards. Needless to say, by following Billy's advice, 275,000 miles later, I donated the car for a good cause. May Billy rest in peace. May God comfort all Billy's family with the assurance of His promise that one day soon Jesus will return and all suffering will be forgotten.

God Bless.
