“ My grandpas favorite thing to do was play softball and umpire. he enjoyed umpiring me and my mom when we played softball and coaching my mom when she played. he enjoyed playing catch with me and corey, he loved playing softball with us whenever we got a chance even just tossing the ball in the back yard as he got older would always brighten up his day. i miss him so much but i know he's up in heaven playing softball with everyone who's ever played even once in their life teaching them how to play. i love you pop pop- your Kaylabug❤️

“ My Uncle Bill always gave me a big hug and a smile every time he saw me. I know he is in a better place, but on this side its never easy. I do find peace in knowing he and my dad are catching up, and I will see him and the rest of my heavenly family one day!
