“ Willie was my cousin and I loved him very much. The other boys always picked on me, but Willie always took up for him and I'll never forget that. We had a lot of good times throughout the years as cousins, friends and neighbors. My heart is heavy and sad at this moment and will be for a while, but if I know Willie he wouldn't want us to be sad. He's want us to throw a party and hoop and holler in his honor. Love you, Willie!!!!

“ I will always remember how friendly and kind Willie was and what a great asset to Burton and Robinson for all of his years of service. Willie was always kind to me and always seemed to be happy in his life. Willie was well liked by all of his peers and will be missed terribly. It was a shame that he had to leave this life at an early age but God only takes the prettiest rose and probably needs him for big and better things. We will all miss you Willie and pave the way for all of us to follow.

“ My deepest condolences to the family and friends during this time. It is so important right now that you comfort one another. Let your memories and good thoughts serve as a way to make your heart smile. Please also take a moment to look into the Word of God for the ultimate comfort and hope.
