“ Dearest Leslie, and Family,
I want to express my Deepest Condolences to you, and all the family.
Billy was always so happy go lucky whenever he was in our presence, and such a down to earth person. He will always be in your hearts, and memories, but I am sending prayers that each of you have Peace throughout the years knowing how much you meant to one another. Remember to share stories of him with one another, especially the grandchildren.
Regretfully, I will not be able to attend either service, but please know that I am thinking of you.

“ Leslie,
I decided to make a donation to the turkey hunters in Bill's name. I enjoyed our conversation at Christmas dinner, as one big talker to another! - and I hope he'd like to know that preserving wild habitat and hunting got a little bit of money from a city girl today. Courage and grace to your family. He was a sweet guy.

“ Leslie, Bill, David & Melissa, and Pete & Jimmy and Family,
This was something totally unexpected as I just heard the sad news. You all are in my thoughts and prayers..... It's been a very long time since I last saw Billy but Terry keeps me up to date on things there. I think you nailed it on his attributes as I know first hand he could talk your ear off and he loved the outdoors too.... Oh... don't forget that he had the knack for telling some whopper stories too.... I have to smile when I think about some of the things he was involved in....lol.... He will truly be missed but his memories will linger with us all. Please accept my sincere regards as I wish I could attend the wake in person. Please take care.... Ed Collins
