“ To Bills family, friends, and co-workers please accept my deepest condolences and prayers during this difficult time. I worked with Bill closely for a number of years and got to know him well. As a fellow veteran we enjoyed sharing war stories and some friendly intra-service ribbing (I'm USAF). The world was a better place because of Bill and he will truly be missed.

“ My deepest heartfelt sympathy to the entire Denham family and friends. I found this poem several years ago on a remembrance picture frame and wanted to share it with you. Hopefully it will help you remember the life that was lived and to celebrate the cherished memories you shared together.

*Celebration of Life (author unknown) - Remember me with love and joy, let gratitude fill your heart, thankful for the time we had, gone....yet not apart. If we measured life in moments, not in months or years, I lived a hundred lifetimes, loved by all who hold me dear. I hope you'll find your smile, and generously speak my name. Share stories and my heart, your love for life unchanged. Celebrate the life I lived, I will be watching from above. I am always with you, sending you my light and love.*
