“ I just wanted to let you know that although I didn't really know Billy we felt like we did through Greg's keeping us informed. We were praying for his healing and although that prayer wasn't answered the way that we had hoped the answered prayer of his salvation and even others after his passing is a much better blessing. We will all see Billy again in Heaven and I look forward to really getting to know him some day. May God grant you his peace and strength through our Savior and Lord Jesus Christ!

“ *I have been so blessed to have Billy as my Big Brother during my 47 yrs. I am happy knowing that he is pain free and in the presence of Our Lord. I am saddened and will miss him deeply here on this earth but I know we will be together again. This sadness is only temporary, but the happiness is eternal. I wanted to thank his wonderful wife Kathy, his girls and his Manassas Va. family for the happiness they brought into his life. He loved you all so much. Thanks to Dad and Mom for being such awesome parents and to Ed, Sherry and Darrell for being such wonderful siblings. I pray that many will come to know Jesus through Bill'y testimony. In Christ, Greg*
