“ To Gene and family,

I am so very sorry to hear about Billy. I cannot say enough about your dear dad. He kept me safe in my various automobiles from the time I was 16 years old. He also took care of various cars for my Granny and Grandpa, parents and various members of our family, but mostly-he was my dad's (Mr. Granville Brill) dear lifelong friend. Along with my Uncle Roland Brill, they both "loved" hanging out at Billy's Garage, hunting up in Zepp (Cedar Creek) and just being buddies. When my dad became very ill and I needed help (I just lived up the road), I could call Billy and he would come running to help me get my dad down the stairs or into the car. He never wavered and he was someone you could trust and always call on. I hope he is now back with my dad and my Uncle Roland doing something fun up in heaven. I hope you can find some sort of solace knowing that he is no longer suffering. Please take care of yourselves.

“ Our deepest sympathy to Billy's family. My dad introduced us to Billy many years ago, and for years his garage was the only place we'd take our vehicles for service. He was a great guy. Donna (Cooper) & Carl Robey

“ We want to express our condolences to the Fries family during this time of loss. I always enjoyed talking with Bill at the garage, even though in the end it usually costed me money, but I knew that when I left, my vehicle was in better shape than what it was when it went in. We pray for the arms of God to surround each family member at whatever level tightness is needed. He will be missed.
