“ Bill was all you could ask for in a Father-In-Law, loved his family, Hard working, and a very comical sense of humor when ever you were around him, he always did his best to put a smile on your face, or try as hard as he could to make you laugh. I can honestly say that I will miss him very deeply. He is one-half of the reason why I have such a beautiful and wonderful wife, and that I am very thankful to him for. I miss you lots. God Bless You, and I Love You with all my heart. Thank you so much for being the most awesome Father-In-Law EVER.
