“ William will be remembered as the twin brother of Richard Quasebarth who left Cartersville Ga. in 1938 to seek fame and fortune. His life it appears turned out to be perfect with two great marriages, many fine children and grandchildren, in the true Quesbarh tradition. His father Gustaf Q. would have been proud of his accomplishments. I remember my contacts with William from my early years to the present, Bill left Cartersville at age 16 when I was 5 years old. I remember those early years well. Rest in Peace William, God Bless.
