“ *My condolences go out to all of you. I know that my daughter Beth really enjoyed being around him, and for once she was happy. He was so young and this is very tragic for everyone. I wish I could of met him, but I do have a picture of him and Beth. They were always calling me about trivia questions. They would always get a kick out of it, when I didn't have the answers, and they were always laughing. I'm sorry that I wasn't able to meet him.*

He will be in my prayers.
