

William Edward Howell

February 8, 1956 - March 1, 2020

William (Bill) Edward Howell found peace on March 1, 2020 after a brave and stoic battle with Multi System Atrophy. Bill is survived by his loving and devoted wife Mary, their cat "Pepper", his mother Juanita Garlock, and siblings Bob Howell, Debbie Mutter, and Wendy Hallayay. Bill was a gentle and giving soul with a memory and wit to be reckoned with. He will be missed terribly. A private celebration of his sweet spirit will be held sometime in March.
