“ We have known Billy and Joan for years. He was always the silent type, but he really cared about people, especially Joan and his children. He would do anything for them. He didn't necessarily show love outwardly, but you knew that he loved Joan and his kids with all his heart. He really loved Christmas, how ironic that he pass now.

*I know he went suddenly, which I'm sure was best for him because he didn't suffer, but it doesn't make it easier for those he left behind. Please know that our thoughts and prayers are for the family.*
