“ Just found out about Bill's passing. I'm an old acquaintance from years back. I had a dream with Bill in it today, and thought I would check to see if I could find him. I am very saddened by this, and wish his family well.

Sue, I remember you also, and hope you're doing well. I last saw you before you married Bill, and was always around with Gary Bell, who also passed away back in 2007. We were all friends back then, and visited on occasion. I'm happy that you and Bill were married and spent some happy times together. Please take care.

My Condolences,

Lee
