“ Olivia & Family:

*Ever since I heard what happened
I've had you on my mind
And I feel so bad you're suffering
Thru such a trying time*

*I'd like to find some special words
To comfort you right now
To give you strength and help you cope
To lift you up somehow*

*But I realize nothing I can say
Will ease the pain you bear
So this is just to let you know
That I sincerely care*

*I'm pulling for you all the way
With my warmest wishes too!
And with hope for brighter days to come
My heart goes out to you!*

*I found this poem and it says exactly how I feel. May you find peace
in this time of sorrow. I pray for your strength. May God be with you.*
