“ Although I never knew you, your still my uncle and it's never nice to see a family member go. I just want to say I'm sorry for the animosity our family has for each other and I wish I would have had a chance to get to know you.

“ My thoughts and prayers go out to Bill's family. I lived across the street from him when he lived on Victoria St. and was in his graduating class from Stonewall Jackson. Although I haven't seen Bill in over 35yrs I can still remember that big smile he seemed to have for everyone.
