“ *Dad,*

You have been such an amazing father and will be greatly missed. From our daily phone calls to seeing you every chance we got, you have been there for me every step of my life. Without you here, it's going to be extremely tough, but out of all the things you've taught me, it's to be strong and provide for those that you love, and that's what I will do. I'll will continue to nurture, love and be there for those that look up to me, just like you did. I love you so much and always will.

I love you with all my heart Dad!!

“ To my love, My heart is broken but so thankful you are no longer in pain. Not sure how I will carry on without you in my life for the lovely 41 years that we shared together, but I know my life has to go on. I will have the strength to carry on for our sons and grandchildren and I will cherish all our wonderful memories together and with family and friends. Goodbye for now my love until we are able to be together again in heaven. Hope you are with our little Lulu now and your parents and family in heaven. Till we are together again my love, I will miss you dearly each and everyday.

You will always be in my heart forever and forever... Heartbroken..
Love you,
Dora

“ Billy, You we're a great Bother-in-law to Dean & I. You were a great husband to my sister Dora and, a great father to my nephews, Daniel and, Sean and, their wives Trish and, Heather. A loving grandpa to Lukas, William and, Emily. You were a great uncle to all your nieces and, nephews. I remember all the Chistmas's the family spent together. They were all happy times and, all the Thanksgiving's too. We Love you and, will forever miss you. You will always be in our hearts. Love always, Cindy & Dean

“ Billy, I am so happy that we got to spend a special afternoon with you before you left us. My heart was aching for you as I watched the pain on your face. While you had so many struggles in life you were able to overcome them and make a wonderful life with your beautiful wife, amazing sons and adorable grand children. While we did not always agree with or understand each other we had some wonderful times and memories together and thru it all we deep down we loved each other. I am thankful that you are not suffering and in pain anymore. I know that Mom and Dad were waiting to welcome you to Heaven with open arms. I love you and will miss you. Love, Joyce
