“ Bill served UOSA with distinction for many years, and always left me with the sense that he did so as part of his public service calling. On behalf of myself and his many colleagues and friends, I would like to extend sympathy to his family and loved ones. He left a mark here that is not forgotten.

“ I served 16 years on the City of Manassas City Council from 1980-1996 and had the privilege of working with Bill as he served on the Manassas Park City Council. We both were challenged with the task of growing and managing our prior towns to the newly status of City. Bill was always such a pleasant guy to work with and always had his citizens of Manassas Park in mind. Our deepest sympathy to the Wren family and to the City of Manassas Park.
