“ *I have so many memories of Willie, starting when I was a child and he and June would take me to Lake Jackson Dam on Sunday's, and he would carry me so I wouldn't get my Shiny Shoes messed up. My sister and him came to visit me when they first started seeing each other, and he walked out in my back yard, and said, you didn't tell me that Dump lives right behind you. some of you know who she was, and some don't, so I will leave it at that. I would call there and if Bug was gone we would talk about different thing's. One thing he said to me one day was , "Your Sister Sure Takes Good Care Of Me, she cook's breakfast, lunch. and supper for me every day". He use to brag about a grandson (Chris) that was so good to him and Bug, and would bring out pictures of his 2 grand daughter's, Kim and Kate and he would say "Look at these Pretty Girl's". He was a great person, My Mom thought the world of him, as he treated her like she was gold. I never knew of any one that he treated bad, or said bad thing's about. I haven't seen him in almost four year's, and want to remember him as I last seen him. I know my sister will miss him dearly, but he know's he left her in good hand's with their kid's. If there is a kitchen in Heaven, I know Mom is making coffee, and fixing him something to eat. R.I.P. Dear Willie, you will be missed by all that knew you here, and welcomed in Heaven by all that knew you here. You are free of pain and suffering. You are where you belong now, In Heaven. Love, Your Sister-in-law, Minnie*

“ Willie was truly a good man and will be sorely missed. He was always good to me and we shared a lot of good times over the years. I still fondly remember rebuilding my father's (James Cornwell) trailer and how much fun we had with him and Lady Bug no matter how unpleasant the task. I last saw Willie 4 years ago and enjoyed talking most of the night away before returning to Texas. Don't understand why good people have to suffer the way he did, but may he rest in peace. My heart goes out to Lady Bug who was by his side and took such good care of him. Wish I could be there, but know your kids will help take care of you. Love you guys!

“ Willie was great brother in-law to Donnie and myself. He was a great Uncle to my kids and they knew him as Paw Paw. He treated them like his grandkids. We will miss the jokes he made and the great times at Lake Anna. He will be greatly missed by us all.
