“ to the blankenship family, we are all at a loss of Willis. (im one of the old time security guards)I've been working with willis for a while now and do miss his funny stories, the jokes and hearing the good times he had while he was a cop. I heard him many times talking about hunting, boy did he enjoy hunting with just about anyone until he met me. I dont hunt and i believe he got a kick out of laughing at me about it.

I go into work waiting to hear the "dirt" and its just not the same with out him there.....He talked about all his kids, the whole family was very important to him. Please know how much a friend he was to us all and we all so miss him.
