

## Wilma Davidson

October 8, 1950 - February 8, 2024

On February 8, 2024 Wilma Davidson got her wings and went to WALK with the angels.

She was 73 years old.

She was preceded in her death by her husband Marion, son Samuel, grandsons Dennis and Dustin, sister Nancy and her mother Gladys.

Her spirit is carried on with her daughter, Loretta (Kenny), grandkids, Kenny (Courtney), Brandon, Colby (Clayton), Izabella, Alexis, Preston, Michael, Eli, Abel, Bailie Grace, and sisters Cathy, Linda, Rita, Peggy, Anita, Chrissy and many nieces and nephews.

She always maintained that her greatest treasures called her grandma. That's not exactly true.

You see, the oldest of my grand-angels, Dennis James, call her Meemaw" because he thought it was all about "me" referring to him.

Wilma was a kind-hearted woman; a loving mother, grandmother, sister, and wife who spoiled

her children and grands without complaint. She was sweet with a side of zest.

She loved watching the Hallmark channel, soap operas, the beach, boat rides, yard sales and shopping on QVC and HSN. They may even go bankrupt without her, but you never left without a gift she brought.

If you look, you may find her in the evening sunset, among the earliest of spring flowers or amidst the birds at the feeder. She will be present in one form or another.

Please don't cry instead, be happy that "I was here and now free from pain." When you hear thunder just know it's me jumping for joy no longer tied by an oxygen tank and taking in the sweet smell of my new surroundings.

In memory of Wilma, the family kindly requests that attendees wear their everyday clothing to the service, as this is what she would have wanted.

“ Cathy and family,  
My deepest sympathies in the loss of your sister, mother, grandmother, and aunt. I worked with Wilma many years in SACC, we had so many good times. Even though we at times worked long hours, and sometimes weekends, you never heard a complaint from Wilma. She was hard working, caring, and so passionate about what she did. She could run the calculations on parents fees like no one else. Yes this was before computers where we had to calculate parents fees. She was always there to lend a helping hand. I will never forget her. Wilma, I will hold our good times together forever in my heart! Miss you and I'm grateful you're resting at peace with no more pain.
