MY

“ Aunt Lee was very special to me, and I have fond memories of being in her home visiting with my cousin Harold, in particular. In one of my extended visits, I remember Aunt Lee tenderly caring for me when I ate too much cranberry sauce. May the Lord comfort you during this time as you remember Aunt Lee's life and the gift that she was to us all.

Love, MaryAnn

“ My greatest memories of Aunt Lee was her cooking during Vacation Bible School. She was always around with my Nanaw, (Frances Brann), and I will forever be grateful.
