“ *Pop, I can't express how much you are already missed. I'm so thankful for all you've taught me, and all the time I got with you. From sitting on the front porch rocking for a while and listening to your wild stories, to picking beans in the garden, and watching you be the greatest great granddaddy to our little Peanut. Matthew, Cody, and I love you very much. My heart aches for you, and for everything that led up to this devastating loss. You will always be in our thoughts and prayers. There's won't be a day that will go by without thoughts of you. The only good thing I can think of is that you'll get to "kiss YOUR angel good morning" every morning now. We love you always Poppy, and you'll forever be Matthew's "favorite boy" ❤️❤️❤️*
