“ Linda,

*I'm so sorry to hear of the passing on my dear friend and TBT (Shaw) brother ... Winston. He was honored at this week's Shaw convention and it was there I learned of his death. I also had the pleasure of meeting you a few times over the past decade and it was heartwarming to see the love you shared for each other. I loved spending time with Winston - his impish grin and sense of humor always made those encounters enjoyable and I especially enjoyed discussing business, baseball and golf with him. He will be missed.*
