“ Jimmy & Eliza,
Although we never had the opportunity to know Jimmy's mother, we do know that she was a special lady. We know that she had a strong heart - her desire to not give up - her ability to fight this terrible disease for a long time says just how strong willed she was. Knowing you Jimmy has shown us just what a caring individual she must have been. Our prayers and thoughts are with you and your family. May God watch over you all during this time.

Love,
Jim & Adele

“ Your Mother was a delightful woman. I came to know her through her friend Josephine Speakes who kept my son through his growing up years!

My sincere sympathies to you on this tremendous loss.

“ *May you find the courage to face tomorrow in the love that surrounds you today. At this time of sorrow may these truths sustain you.....your loved one will always be as close as a memory and the God of all comfort is always as close as a prayer. It will be the little things that you will remember the quiet moments, the smiles, the laughter. And although it may seem hard right now, it will be the memory of these little things that help to push away the pain and bring the smiles back again. I have fought the fine fight, I have run the course to the finish, I have observed the faith.-2Timothy 4:7. As for me, I will lie down that I may sleep; I shall certainly awake, for Jehovah himself keeps supporting me. -Psalms 3:5*
