“ *Yves was a very special guy. I was his nurse on several occasions at Fairfax Hospital. I became a nurse after losing my own husband on 12/6/2001 to cancer. He was 45. I know there are no words that can console you...but you and your son should hold dear what a wonderful man Yves was and how much he loved you both. He never stopped talking about you and it was clear that he fought this as hard as he could, because he didn't want to leave you. I'm sure he will watch over you the rest of your lives and I know that your lives are richer because of him.*

“ Lorraine and Andrew: I'm so sorry that I wasn't there when Yves passed. And even more sorry that I had to go out of town the next day and was not able to come to any services. You know how much Yves and you all meant to me. I'm so sorry that he's gone. I hope it gives you some peace that he is no longer suffering. Please let me know if there is anything that I can do for you or Andrew.
