“ I am so sorry for your loss. I drove Zarrik last year to Mayfield and he sat behind my seat the majority of the year. I have to tell you that he will always be one of my very favorite students. He always tried to act like he had this super hard exterior but was truly one of the sweetest kids I have had the privilege to know. I loved talking football with him and joking around with him, his personality was large and he definitely kept me entertained. I am devastated with this news and I am so sorry I missed the service I would of definitely attended the service if I would of known before today! I will keep you all in my prayers to try and find peace and comfort during this time.
Much love Krysta Stanley
